

The Kepler Collective School Grant

Grant Application Form: \$1000 for Art & Science Programs

Grant Name: The Kepler Collective School Grant

School Information:

- School Name:
- School Address:
- Contact Person Name:
- Contact Person Title:
- Contact Person Email Address:
- Contact Person Phone Number:
- School Website (Optional):

Student Demographics:

- Total Number of Students:
- Number of Students Enrolled in Art Programs:
- Number of Students Enrolled in Science Programs:
- Percentage of Students Qualifying for Free/Reduced Lunch (Optional):

Grant Proposal:

A. Needs Assessment (1 page):

- Briefly describe the current state of your art and science programs at your school.
- Identify any specific needs or challenges related to promoting these programs (e.g., lack of resources, outdated equipment, limited field trip opportunities).

B. Proposed Program/Activity (2 pages):

- Explain how you plan to use the \$1000 grant to address the identified needs and promote art and science programs in your school.
- Be specific about the program, activity, or resource you plan to implement (e.g., guest artist workshop, science fair supplies, field trip to a museum, robotics club equipment).
- Describe the target student population for this program and the expected outcomes (e.g., increased student participation, improved learning experiences, enhanced skills).

development).

C. Sustainability (1/2 page):

- Briefly explain how you plan to sustain the program or activity beyond the initial funding from this grant.
- Will you seek additional funding? Will you incorporate the program into your existing curriculum?

D. Budget (1/2 page):

- Provide a detailed breakdown of how you plan to spend the \$1000 grant. Include specific costs associated with your proposed program/activity (e.g., materials, supplies, artist fees, transportation).

E. Timeline (1/2 page):

- Create a timeline outlining the implementation of your proposed program/activity. This should include key milestones and target completion dates.

F. Attachments (Optional):

- Letters of support from teachers, administrators, or community partners endorsing your proposal (Optional)
- Photos or samples of past art or science projects from your school (Optional)

Submission Information:

- Applications can be submitted electronically to [Email Address] or by mail to [Mailing Address].
- Application Deadline: [Date]
